Rise in chain-snatching, drug trafficking, extortion...

Special drive to curb crime

Mysuru, June 12 (SBD, RK & KS)- Two chain-snatching incidents have been reported in Mysuru city, one on June 10 and another yesterday, involving a PUC student and a 29-year-old woman. Additionally, on May 27, an MBBS student was threatened and extorted for Rs. 25,000 in broad daylight in Shivarathreeshwara Nagar. On the morning of June 8, two youths snatched Rs. 5,000 from a farmer on Sayyaji Rao Road.

Despite the presence of over 300 CCTV cameras, criminal incidents have continued to rise, including burglaries, vehicle thefts, murders, assaults and sale & transport of narcotic substances. In response, City Police, under the direction of City Police Commissioner B. Ramesh, has initiated a special drive to curb these illegal activities.

A Police team checking a car on KRS Road just before the underpass near the City Railway Station yesterday.

Recently, NGOs, social organisations and public representatives, under the banner of Jamiat-Ulama-E-Hind, submitted a memorandum to the City Top Cop citing the increasing crime rate. They highlighted the issue of tea shops and bakeries remaining open until midnight, attracting gatherings of youth and anti-social elements. These gatherings often result in petty fights escalating into serious quarrels and assaults.

Following all these developments, yesterday, the Police conducted a thorough check of two and four-wheelers, inspecting the dickey and boot space of vehicles for lethal weapons and narcotic substances. They also checked the bags and baggage of travellers, as well as the licenses of drivers and riders.

Vehicles without proper registration plates or faulty ones were seized and helmetless riders and those riding with triple passengers, especially with children, were advised to follow traffic rules for their safety. Violators were warned of penalties for traffic rule infractions. Special drive aims to enhance public safety and deter criminal activities.

He further stated that the special drives will also demonstrate that Mysuru City Police are tourist-friendly. The presence of Police personnel in public will instil confidence and a sense of safety among tourists and residents alike.

EDITOR'S BOTTOMLINE

REVIEWING REVIEWERS: ***Books may come and books may go, but reviews live forever. Anyone can go online and leave a rating or comment behind in spectacular typos. No sooner is a book out than reviewers rush at the author, offering glowing reviews for a fee. But the real critic is hidden behind a paywall, reviewing free of charge or for peanuts because reviewing is a sacred duty. They are the gatekeepers between readers and writers, constantly taking a bullet. You can recognise reviewers by their martyred expression and memorised quotes from the one classic they read in college. They carry books much like Christ did the Cross, bent over by the weight of all that terrible prose they must critique. Sometimes the difference between a good review and a bad one is the coffee they missed.***

AI will one day write books, but will it write a book review? Nah. Reviews require the hands-on human touch of literary snobbery and the primal urge to draw blood. The reviewer is faced with two choices: gush or gibe. When in doubt, the reviewer gives us the whole plot. Most of the tiny double-column space is swallowed by laborious displays of the reviewer's intellectual prowess and command over the language. Many Indian novels are ignored back home until they make a shortlist or longlist abroad, making critics scramble. Second novels are especially snubbed; the nerve of the writer!

Blurbs, trusting a lazy reviewer to quote them in lieu of a review, are breathless self-praise. This book will change your life, you won't be you after you finish reading it… If it is not a stunning coming-of-age debut, it is a mesmerising best-seller from a master story-teller. Writers get into the act, lauding each other's work as 'magical masterpiece' or 'a prescient work of sublime brilliance' in a 'you scratch my back, I scratch yours' world out there. Suddenly, two authors are each other's biggest fans.

If one claims to sum up an author by his book, it is equally true that a review reveals the reviewer. You only have to read a review to guess the reviewer's childhood trauma, inner demons and the book they think they should have written. Serious critics only scoff — dissing is the more successful genre. If a book is worth reading, they will write it themselves. Reviews are where a reviewer and his pretentiousness go to have good sex.

23-year-old woman marries 80-year-old man

Beijing: The unusual love story between a 23-year-old woman and an 80-year-old man she met at a nursing home has sparked a heated debate.

23-year-old Xiaofang (pseudonym), met the love of her life while working as a volunteer at a retirement home in Hebei Province. 80-year-old Mr. Li (pseudonym) was a resident there and the two quickly became friends after realising that they shared many interests and hobbies.

But, as time went by, their friendship evolved into something more, as Xiaofang was attracted by Mr. Li's maturity, stability and wisdom, while he was moved by Xiaofang's youthful vitality and kindness. Unfortunately, the young girl's family did not approve of her romantic relationship with a man old enough to be her grandfather, but she decided to follow her heart and severed ties with her parents to be with Mr. Li.

Man saved after silver necklace stops bullet

Colorado: A man can consider himself extremely lucky to be alive after surviving a gunshot thanks to the silver necklace around his neck.

Commerce City Police Department in Colorado posted photos of a bloodied metal necklace with a small piece of metal lodged in its links on its Facebook page. Apparently, it belonged to a local man who had been involved in a heated argument with another person and had been shot at.

According to the viral post, the bullet would have pierced the victim's neck if not for the silver chain around his neck, which turned what would have likely been a fatal gunshot wound into a minor puncture wound.

VOICE OF THE READER

SOM puzzle-lovers: A suggestion

Sir,

I have been fascinated by the puzzle game "Cryptoquip" which appears on Page-10 of *Star of Mysore (SOM)* everyday. This particular game is a unique feature of your newspaper which I do not find in any other papers.

The first thing I do on receipt of the paper every evening is to solve it before going into the news. It sharpens the brain and builds vocabulary. Of course, other puzzles like Sudoku, Crossword etc., are also there in the paper. However, I am fascinated by Cryptoquip. Thanks for providing an opportunity to your readers to improve their skills.

It is my humble suggestion that you provide an opportunity to all such puzzle-lovers of your newspaper to come to a common platform to meet each other.

Retired MANMUL staff
protest delay in pension

Mysuru, June 12 (GA&DM)- Claiming that there has been an undue delay in getting EPF pension, retired employees, under the banner of Mandya District Milk Union (MANMUL) Retired Employees Welfare Society, staged a protest demonstration in front of the Employees' Provident Fund Organisation (EPFO) Office in Gayathripuram here yesterday.

Pointing out that about 280 MANMUL employees, who retired in 1995 and after, had applied for EPF pension, they alleged that even months after submission of necessary documents, they were yet to get pension.

Maintaining that they were facing a lot of hardship due to pension delay, they wanted the PFO (Provident Fund Office) to settle their EPF pension as per a 2022 Supreme Court ruling, within two weeks depending upon the actual wages.

Society President B.G. Poovaiah, Secretary V. Nagaraj and others took part in the protest.

Tendering process: MGP Members raise concerns

Vidyaranyapuram solid waste clearance and Kukkarahalli Lake rejuvenation

Mysuru, June 12 (SPN&BCT)- The issue of tenders awarded to clear the seven lakh tonnes of waste that has piled up at Vidyaranyapuram Sewage Plant to a Surat-based company M/s D.H. Patel Hardik Bhikhabhai Khunt with no prior experience in such tasks was a prominent topic at the Mysuru Grahakara Parishat (MGP) meeting held on Sunday in Yadavagiri.

Another major issue discussed was the awarding of the work order to the New Delhi-based Indian National Trust for Art and Cultural Heritage (INTACH) to prepare a Detailed Project Report (DPR) for restoring and rejuvenating Kukkarahalli Lake. This was done without consulting local environmental activists and conservation experts who have long fought for the Lake's survival.

Members expressed their disapproval of how crucial issues in Mysuru have been handed over to outsiders. They criticised how local problems are being exploited by political leaders for personal gain, misleading the public to satisfy their selfish needs.

Additionally, the MGP meeting was supposed to be attended by the three MLAs of Mysuru — Tanveer Sait, K. Harishgowda, and T.S. Srivatsa — but they failed to attend, offering excuses despite initially committing to participate in the discussion. Their non-participation upset MGP Members, who expressed their dissatisfaction with the attitude of the elected leaders.

KUKKARAHALLI LAKE TENDER

MGP Member Nataraj, a former MUDA official, raised concerns about INTACH being awarded the contract to prepare the DPR for preserving Kukkarahalli Lake without a tender process.

MGP Founder Bhamy V. Shenoy explained that MGP, without getting involved in the formal tender process, has been assisting INTACH with all the work MGP has done in the past and has held periodic meetings during INTACH experts' visits to Kukkarahalli Lake.

Some MGP Members have also accompanied them during drone surveys. He further mentioned that when MGP contacted the former MLA Vasu (now late) about the tendering process, he stated that under certain circumstances, a contract can be awarded without a tender.

Several justifications were provided for choosing INTACH. INTACH has prepared a DPR worth about Rs. 5 crore for cleansing the Ganges and has restored several lakes in Delhi and other cities. Recently, the Government of India asked INTACH to study and restore 100 lakes across different States.

INTACH is an NGO with former Government of India Secretaries on its board, and its current Chairman is Maj. Gen. (retd.) L.K. Gupta, making the misuse of funds by private parties unlikely.

The discussion concluded with a decision to revisit the topic after the June 22 presentation by INTACH, allowing the public to learn about their findings to save the Kukkarahalli Lake and address encroachment along the Dewan Poornaiah Canal.

SOLD WASTE DISPOSAL TENDER

Regarding waste disposal, Bhamy Shenoy provided background on the process of awarding a contract to a Surat-based company to handle accumulated waste at Vidyaranyapuram. Three other bidders were rejected on what seemed like flimsy grounds, particularly Zigma.

Zigma's website shows the successful restoration of solid waste landfill sites in Kumbakonam, Noida, Tirupati, Pallavaram, Karaikudi and ongoing projects in Vadodara, Nagpur, Guwahati, Vishakapatnam, Erode, Kollam, Puducherry and more. Its tender was rejected for not uploading the vehicle registration.

Tender rules require re-tendering if only one party remains, yet this rule was not followed when only the Surat-based company was left. "One of the aggrieved parties, M/s Jathin, filed a Court case asking to stay the work order on March 28, 2024, but did not secure a stay order. MGP has requested Mysuru's Deputy Commissioner (DC) and Mysuru City Corporation (MCC) Commissioner to revisit the tender process without waiting for the Court's decision," he noted.

Bhamy Shenoy discussed a letter he wrote to the Chief Minister (CM), requesting a recall of the tender process. The CM forwarded the letter to the DC and Ministry of Urban Development, but there has been no response.

Threatening to make private photos, videos viral

Woman allegedly murders lover with help from brother in Nanjangud

Rajesh

Mysuru, June 12 (RK&KS)- A man, who threatened a woman of making her private photos and videos viral on social media, has been reportedly murdered by the woman with help from her brother in Nanjangud town on Monday night.

The deceased is Rajesh (35), a resident of Siddegowdanahundi at Hampapura hobli in H.D. Kote taluk and the accused have been identified as Prema, wife of late Narayana and her brother Shivu, residents of Srirampura Layout in Nanjangud. The accused have been arrested by the Police.

A native of Kyathamaranahalli in Mysuru, Prema was given in marriage to Narayana 15 years back and Narayana had passed away just a month ago.

Rajesh, who was a friend of Narayana, used to frequent to his (Narayana) house during which friendship blossomed between Prema and Rajesh. Both Prema and Rajesh had stored private photos and videos of each other in their mobile phones.

Meanwhile, Rajesh, who had given money to Prema demanded it back resulting in Prema developing hatred on Rajesh. She later told Rajesh not to come to her house as neighbours will suspect them and speak ill about her.

But Rajesh continued to frequent Prema's house following which Prema told her that she would inform about it to her relatives if he does not listen to her following which Rajesh threatened to make her private photos and videos viral on social media.

Prema, who discussed this with her brother Shivu, called Rajesh over the phone, told him that she wanted to discuss an important issue with him and called him home. When Rajesh came to the house on Monday night, both Prema and Shivu began to assault him. Sensing he was in danger, Rajesh somehow escaped from them and fled from the house. Prema and Shivu, who chased Rajesh, caught him on the 8th Cross of RP Road. When Rajesh fell on the ground, the duo bludgeoned Rajesh to death with a heavy stone slab.

Additional SP Dr. B.N. Nandini, Dy.SP Raghu, Nanjangud Town Inspector Basavaraju, Sub-Inspector Prakash and staff, who reached the spot, conducted mahazar and registered a case.

Accused Prema and Shivu were produced before a Court, which remanded them to judicial custody.

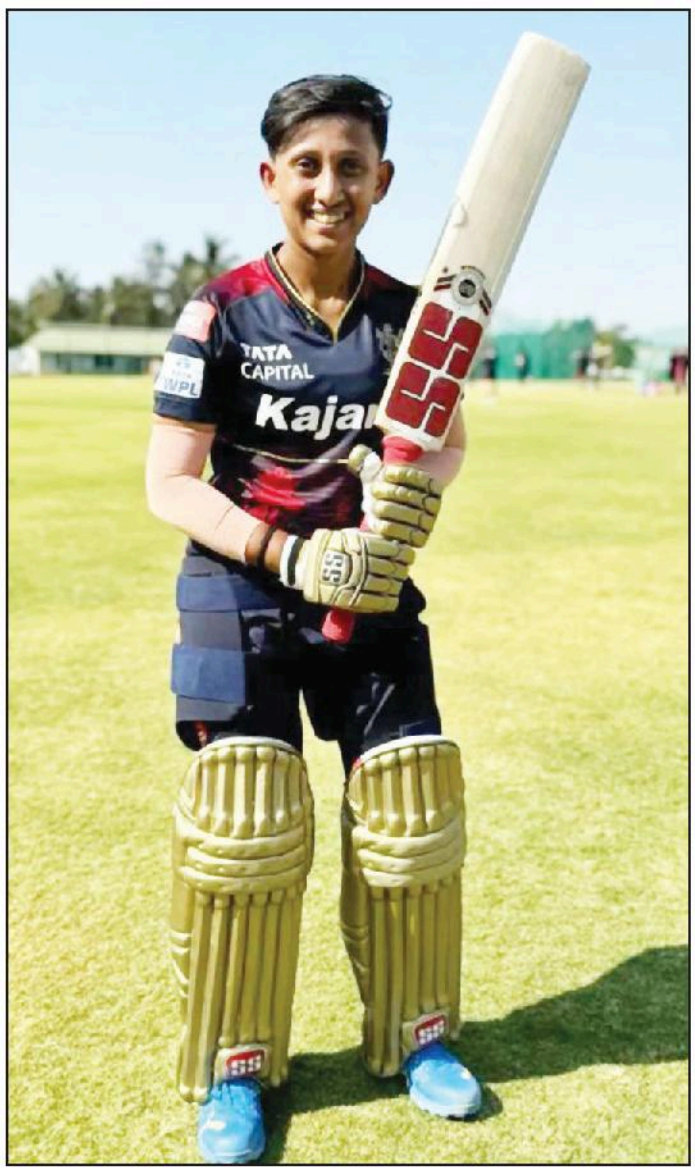
Meet Shubha Satheesh, the first woman cricketer from Mysuru playing for India

'Want to do well for Team India in T20, ODI and Test'



Shubha Satheesh with her parents M. Satheesh and K. Thara.

When we talk about cricket, the conversation often centres around the men in the game. However, the women who have taken up the sport have repeatedly proven their worth. Be it Jhulan Goswami, Mithali Raj, Harmanpreet Kaur, Smriti Mandhana, or Rajeshwari Gayakwad, all have grown to become inspirations not just for young girls but for boys as well.

Mysuru, a hub of cricket for decades, has also contributed to Indian cricket. Until now, the legendary Javagal Srinath was the only player from Mysuru to play for the Indian team.

Joining him now is Shubha Satheesh, the 24-year-old all-rounder who made her debut for the Indian Women's Team against England in the only Test match played at the D.Y. Patil Stadium in Mumbai last year.

Shubha was also part of the triumphant Royal Challengers Bengaluru (RCB) team that won the Women's Premier League recently. She will be joining the Indian team camp to prepare for the upcoming home series against South Africa.

Shubha is the daughter of M. Satheesh and K. Thara, residing in Rajarajeshwari Nagar in the city. *Star of Mysore* **caught up with the talented cricketer during her recent visit to Mysuru.** Excerpts...

Star of Mysore (SOM): When did you start playing cricket and what inspired you to take up the sport?

Shubha Satheesh: I started playing cricket in 2011. I used to play with boys in my locality, and one day, I was invited to play at BEML, where my father works. That's when one of my father's friends mentioned women's cricket. Later, my father took me to Bengaluru, where I joined a cricket club and started playing professionally.

SOM: How did you feel when you entered the Indian dressing room?

Shubha Satheesh: It was an amazing feeling, very difficult to express. Everyone was so relaxed and supportive. I got to learn from my seniors and everyone who was part of the team.

SOM: There are players like Rajeshwari Gayakwad and Shreyanka Patil from Karnataka playing for the country. How did you feel joining them?

Shubha Satheesh: We have been playing together for years now. It felt like a continuation of the game for us as we already knew each other.

SOM: You were also a part of the RCB team. What do you have to say about that experience?

Shubha Satheesh: It was a great feeling to play alongside some of the best players, including those from different countries. Besides being a part of the team, the moments with RCB fans gave me a unique and wonderful experience at the stadium.

SOM: Now that you have made your debut for India, what is your next goal?

Shubha Satheesh: My goal is to continue doing well for Team India in all three formats (T20, ODI and Test). With the home series coming up against South Africa, we will be camping in Bengaluru to prepare for our matches. Later, our target is to win the ICC T20 Women's World Cup to be held in Bangladesh later this year.

SOM: What was the reaction of your parents when you were selected for the Indian team?

Shubha Satheesh: They were very happy when they heard about my selection. My parents have always told me, and continue to tell me, to play good cricket and do well for the country. **—VNS**

Student duped, gold chain snatched

Mysuru, June 12 (SBD, RK & KS)- It seems that chain snatchers are finding new ways to approach victims, with the latest incident involving a miscreant who approached a student under the pretext of warning him about chain-snatchers, stole his gold chain and fled the scene.

The incident took place near City Railway Station on June 10. The victim has been identified as Y. Shravankumar, a native of Bengaluru, who is pursuing his PU at a college in the city.

Shravankumar arrived in the city by train at about 8.45 am on Monday and was walking towards his hostel. While he was walking between City Railway Station and Dasappa Circle, a man, aged about 35 years, told him it was not safe to move around wearing a gold chain due to prevalence of chain-snatchers.

He then suggested that Shravankumar wrap the gold chain in paper and keep it in his bag for safety, even providing a piece of paper. Believing him, Shravankumar removed the 6-gram gold chain and placed it on the paper the man was holding. He wrapped the chain in the paper, placed it inside Shravankumar's bag and advised him to be careful. After walking a bit further, Shravankumar checked the paper and found it empty.

Realising that the man had stolen his gold chain under the pretext of helping him, Shravankumar informed his parents and later complained with Devaraja Police, who have registered a case and are investigating.

Incident at Jayanagar

Another chain-snatching incident occurred at Jayanagar yesterday afternoon where a gold chain was snatched from a woman by bike-borne youths while she was walking home from a shop. 29-year-old Dakshayini, a resident of Jayanagar, was walking near 10th Cross when two bikers yanked off her gold chain, weighing 16 grams and sped away.

Ashokapuram Police arrived at the scene, conducted mahazar, registered a case, collected CCTV footage from cameras in vicinity and launched a hunt to nab the chain-snatchers.

Arrest made in farmer's cash snatching case

Meanwhile, Devaraja Police have arrested two youths who snatched Rs. 5,000 in cash from a farmer on Sayyaji Rao Road on the morning of June 8.

Farmer Kalaningappa from Ahalya village in Nanjangud taluk was on his way to a hotel on Sayyaji Rao Road to fetch breakfast for his daughter, who was admitted at KR Hospital.

While walking towards the hotel, Kalaningappa was counting the cash when a youth snatched it, climbed over the road divider, and disappeared. Kalaningappa subsequently complained to Devaraja Police Station.

Devaraja Police registered a case, swiftly took action and arrested two youths involved in the theft. They were produced before a Magistrate, who remanded them to judicial custody.

CCTV footage from early hours of June 9 shows Darshan's SUV near the crime scene

Darshan Thoogudeepa

Bengaluru, June 12 (Agencies)- Kannada actors Darshan Thoogudeepa and Pavitra Gowda have been sent to Police custody for six days in connection with the murder of Renuka Swamy, a man from Chitradurga.

Darshan, Pavitra and 11 others were arrested yesterday for their alleged involvement in the murder.

Following the arrest, Darshan and two other detainees underwent a medical check-up at Bowring and Lady Curzon Hospital in the evening before being presented before the Court.

The Police sought custody of the accused for 10 days because they had to take them to the scene of the crime to conduct mahazar, retrieve their call data records and also recover weapons allegedly used to commit the murder.

Actor Darshan in a Police vehicle in Bengaluru yesterday.

Four among the 13 accused in murder case.

Advocate seeks judicial custody

Darshan's lawyer Mounesh pleaded that the actor was cooperating with the probe, his mobile phones had already been seized, and the body of the deceased had been recovered, so there was no need for Police custody. Therefore, the accused be remanded to judicial custody, he requested.

However, Judge Vishwanath C. Gowdar ordered Darshan, Pavitra and the other accused to six days in Police custody till June 17. The names of the other accused, who are alleged to have assisted Darshan in the crime, are Pavan, Vinay, Pradosh, Nandeesha, Deepak, Lakshman, Nagaraju, Karthik, Nikhil, Keshavmurthy and Raghavendra.

Weeps before Judge

Darshan, who is known for his daring characters on screen and also for his rude behaviour on a couple of occasions off screen, broke down before the Judge when the Police produced him. He and his close acquaintance, Pavitra Gowda, were seen constantly shedding tears before the Judge before being remanded to Police custody.

Darshan's SUV near crime scene

Hours after Kannada's 'A-grade' star Darshan's arrest, a video surfaced online, potentially increasing trouble for the actor. The Police released a video showing Darshan's red SUV allegedly near the location where Renuka Swamy's body was disposed of. The CCTV footage is from the early hours of June 9, 2024.

Pavitra Gowda

In the video, a Scorpio SUV, purportedly carrying Renuka Swamy's body and Darshan's close associates, is seen. This SUV was reportedly used to dispose of the body. The video also shows a red SUV allegedly belonging to Darshan, but it remains unclear if the actor was inside the vehicle at that time.

Victim's last rites held; wife, mother seek justice

Bengaluru/Chitradurga, June 12 (Agencies)- The body of Renuka Swamy, who was found allegedly murdered at Kamakshipalya in Bengaluru, was brought to his hometown and taken to his house at VRS Layout in Chitradurga last night.

The last rites were held at the Veerashaiva Burial Ground on Jogimatti Road this morning.

Wailing before reporters and media, his mother Rathna Prabha said that actor Darshan should meet the same fate as her murdered son.

"I shudder to even think of the future of my young and pregnant daughter-in-law whose husband (my son) was murdered. Darshan's friend Pavitra Gowda and all the 11 others should not be spared and stringent punishments and jail terms must be awarded to them," she said.

Renuka Swamy's wife, Sahana, also sought justice. Sahana, who is five months pregnant, told media persons, "We married a year ago and I am expecting a baby. My husband's death in such a situation has left me shattered. How can I lead my life now?" She added that her husband had not told her anything about the issue.

Renuka Swamy's wife Sahana and his mother Rathna Prabha expressing their grief with the media persons.

"My husband called me on June 8 afternoon. If my husband had sent derogatory messages on social media, he should have been given a warning. What was the need to kill him?" she questioned. "Whether he is an actor (Darshan) or a star, I want justice," she demanded.

Reacting to the incident, **former MLA S.K. Basavarajan** said

Basavarajan

actor Darshan and his gang committed the most heinous crime. "This is not the murder of one person but of humanity," he said. "We have a justice system and Police. They have no right to take the law into their hands. All those involved in the murder case must be brought to book. An unbiased probe must be conducted," he said.

Eight accused confirm actor's involvement in crime: Police

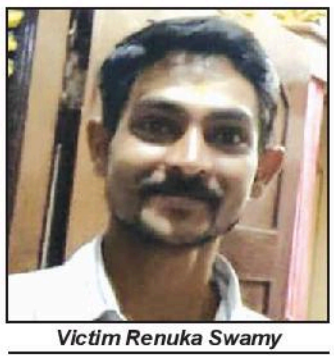
Bengaluru, June 12 (Agencies)- According to the Kamakshipalya Police, during interrogation, eight of the accused have confirmed Darshan's involvement, stating that he was present during Renuka Swamy's assault.

Reports said that the victim was fatally injured with a wooden log. The perpetrators planned to dispose of the body in the Vrishabhavathi Valley near Kengeri but it was found in a drain at Kamakshipalya. As the Police dug deeper, a larger conspiracy surrounding the murder was uncovered, leading to suspicion falling on Darshan.

The investigation was initiated based on a complaint by the security guard, Keval Ram Dorji, at Anugraha Apartment. On the morning of June 9, Dorji discovered the body of a man, later identified as Renuka Swamy, lying by the side of a drain near the apartment in Kamakshipalya.

When the Police questioned the three accused who initially came to the Police Station confessing to the crime, they claimed to have murdered Renuka Swamy over a financial dispute. However, their statements were not convincing. Upon checking their call records, Darshan's involvement in the case became apparent, the Police said.

Police sources revealed that more than 10 people, including Darshan, attacked Renuka Swamy. They repeatedly threw him against a wall and burn injuries on the body suggested the use of a hot iron rod.



Victim Renuka Swamy

Renuka Swamy had wanted Darshan to stay with his first wife and son, leading him to target Pavitra Gowda whenever she posted photos with the actor on social media. Sources claimed that Darshan and his associates brutally assaulted Renuka Swamy, striking him on the head, face, chest and back. The accused also slashed his nose, mouth and jaw.

The body bore multiple injuries and bloodstains and the Police have registered an FIR under IPC sections 302 (murder) and 201 (hiding evidence).

The post-mortem examination has revealed that Renuka Swamy sustained 15 injuries across his body, indicating a savage attack. Forensic doctors have identified injuries in multiple areas, including the nose, leg, head, back and jaw. The nature of the wounds suggests that the assailants used rods, sticks and wooden planks during the attack.

NEET-2024 results row

AIDSO stages protest in city, demands high-level probe into alleged irregularities

Mysuru, June 12 (GA&DM)- Maintaining that the NEET-UG results announced on June 4 had raised several questions on the transparency of the entrance exam for admission to Medical Colleges, the All India Democratic Students Organisation (AIDSO) staged a protest near the Old Deputy Commissioner's Office here yesterday, demanding a high-level probe into the alleged irregularities in the conduct of NEET exam-2024.

The protesters pointed out that the marks awarded to some students were not in line with examination guidelines of University Grants Commission (UGC).

Contending that the guidelines made no provision for additional marks, AIDSO students said the criteria adopted for the award of additional marks or grace marks was biased.

Terming the uniform marks obtained by students who had appeared for NEET at the same centre as 'surprising', the protesters claimed that there were also allegations of leak of question papers before the exam. But this did not lead to an investigation, they said, while also alleging that the NEET-2024 results were marred by allegations of corruption and lack of transparency.

Charging that the entire medical entrance exam is collapsing due to the negligence of the Government and complete commercialisation of the examination system, they argued that the solution to the menace of corruption was not changing the exam system, but to investigate corruption and irregularities and punish the guilty.

AIDSO office-bearers Chandrakala, Nitin, Swathi, Chandrika, Hema, Anjali and others took part in the demonstration.

SC issues notice to National Testing Agency

New Delhi, June 12- The Supreme Court (SC) on Tuesday issued a notice to the National Testing Agency (NTA) on a plea alleging irregularities in the NEET-UG held on May 5 for admission to Undergraduate courses (MBBS, BDS) in Medical Colleges across the country. The Court, however, orally declined to stay the counselling process.

The Bench of Justices Vikram Nath and Ahsanuddin Amanullah scheduled the hearing of the case on July 8 after the re-opening of the Court following the summer vacation.

Justice Amanullah said the Court needed answers from the NTA as the allegations directly impact the 'sanctity' of the NEET (National Eligibility Cum Entrance Test). A lot of questions have been raised and the sanctity of the exam has to be maintained, he pointed out.

Students and the Opposition parties had alleged widespread irregularities in the conduct of the exam. Also, several aspirants had alleged inflation of marks which led to 67 aspirants bagging the top rank (720/720), including 6 from the same exam centre at Faridabad in Haryana.

The NTA, which conducted the NEET exam, denied any irregularities and said the changes made in NCERT textbooks and the grace marks granted to some students, who lost time at the exam centres, were among the reasons for the higher scores.

Non-repair of collapsed compound wall

Rider injured after falling into drain along with bike

Mysuru, June 12 (KS)- A two-wheeler rider sustained injuries after his bike ran over the debris of collapsed compound and fell into the drain in Gokulam yesterday.

The compound wall, adjacent to ESI Quarters on 10th Cross in Gokulam 3rd Stage, had collapsed following rains a few days ago. The collapsed compound has not been repaired and even the debris scattered on the road is not removed. The rider, who came from the main road side, ran over the debris, lost control of the bike and fell into the drain along with the bike.

VV Puram Police, with help from public, shifted the injured to the hospital and got the bike removed from the drain.

WORD OF THE DAY

Foment

Pronunciation: FOH-ment (Verb)
Meaning: To foment something, such as hostility or opposition, is to cause it, or try to cause it, to grow or develop. Foment is used synonymously with incite.
Origin: If you had sore muscles in the 1600s, your doctor might have advised you to foment the injury, perhaps with heated lotions or warm wax. Does this sound like an odd prescription? It's less so if you know that foment traces to the Latin verb fovēre, which means "to heat or warm" or "to soothe." The earliest documented English uses of foment appear in medical texts offering advice on how to soothe various aches and pains by the application of moist heat. In time, the idea of applying heat became a metaphor for stimulating or rousing to action. Foment then started being used in political contexts to mean "to stir up" or "to call to action."
Example: "For this prequel to The Witcher, we go back, back, back to 1,200 years before the time of Geralt of Rivia—and if you don't know who that is, it matters not. Slide right into the self-contained story of a continent where elves, dwarves and other often-warring peoples are living in uneasy proximity, until the arrival of one vicious dictatorship to rule them all makes everyone even less relaxed. Out in the sticks, soldier turned travelling bard Éile (Sophia Brown) is already fomenting revolutionary solidarity by singing rousing folk songs in pubs..."— Jack Seale, The Guardian (London), 25 Dec. 2022

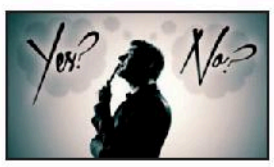
THE ODD WORD

Burble

To speak in an excited manner.

PHRASE OF THE DAY

Hard pill to swallow



Meaning: Something that is hard to accept.
Origin: In the later half of the 17th century, it appears this phrase first started out simply as "a pill to swallow," and then afterwards the adjectives "hard" and "bitter" were added to the front of it.
For example, an English poet from the 17th century, John Dryden, published a work of his in 1668 called Essay of Dramatic Peosy. He wrote down the expression without those adjectives: "We cannot read a verse of Cleveland's without making a face at it, as if every word were a Pill to swallow: he gives us many times a hard Nut to break our Teeth, without a Kernal for our pains."
Later, the word 'bitter' was added to the phrase. The earliest example of this is from a French historian named Mr. RapinThoyras. In one of his written works from 1736, it reads:
"This event, which happened the 7th of September, N.S. was immediately follow'd by the relieving of time after, with the total expulsion of the French out of all Italy; a bitter pill to swallow."

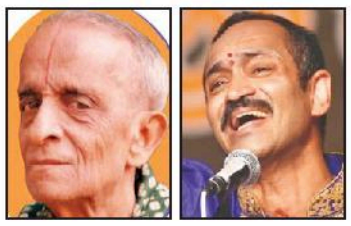
Concert to mark birth centenary celebrations

Mysuru, June 12- Nadabrahama Founder-Member & Musician 'Gana Kala Bhushana' M.A. Narasimhachar Birth Centenary Celebration, sponsored by M.A. Narasimhachar Music Foundation, is being organised at Sri Nadabrahma Sangeetha Sabha on JLB Road in city on June 16 at 6 pm.

Vid. Pattabhirama Pandit will give a vocal concert on this special occasion. Vidu. Charulatha Ramanujam on violin, Vid. Patri Satish Kumar on mridanga and Vid. G.S. Ramanujan on ghata will be the accompanists.

Vid. M.A. Narasimhachar: Born to a traditional family in 1924, Vid. M.A. Narasimhachar was a very pious & devout musician. He faced many turbulences in life without getting frustrated. He never sought success, name, fame and was content with what he got as God's Gift. He was introduced to music by his mother Rajamma though not formally. His daughters Meera and Mythily also are good musicians & are associated with Gana Kala Mandira which he founded in Mysuru and then shifted to Bengaluru.



Narasimhachar *Pattabhirama*

In 1936, Narasimhachar went to Annamalai University in Chidambaram for a formal training in Music. He completed the course in 1940 and got the title 'Sangeetha Bhushana.' Later he again went back to the college to do a one year course in Veena under K.S. Narayanaswamy. He also did a one year course in Western Music at Trinity College of Music, London.

After return, he started Musical School Gana Kala Mandira in 1945. Then never regretted the decision. Many creative productions were done through the Gana Kala Mandira. In 1972, he got an offer as a Lecturer in Music and he shifted to Bengaluru. Celebrated Golden Jubilee of Sabha in 1997. He got Gana Kala Bhushana in1987, Rajyotsava Award in 1992, Rajya Sangeetha Vidwan in 1999 and awarded Sangeetha Nataka Academy Puraskar in 2003 before he ended his journey in 2004.

Nadabrahma is indebted to Narasimhachar for his efforts to pursue like-minded persons to start Sri Nadabrahma Sangeetha Sabha in 1956.

Sri Nadabrahma Sabha express reverence to him through associating for conducting this centenary celebration, according to a press release.
